TEN CENTS

Mrs. Gandhi Tells Peace Plan in Meet With Reds

MOSCOW (AP)—Prime Minister Indira Gandhi of India came to Moscow today to discuss Vietnamese peace proposals with Premier Alexei N. Kosygin. Her plan includes the convening by the Soviet Union and Britain of a Geneva conference on Viet Nam. Russia has rejected repeated urgings to call a conference and Mrs. Gandhi's prospects are not good. Communist China has already rejected the proposals made public by Mrs. Gandhi before she began a trip that took her to Egypt and Yugoslavia. She will spend four days here.

House Votes Pay Raise for Military Men

WASHINGTON (AP)—The House voted a 3-2 per cent pay raise for the uniformed military today along with \$17.4 billion to procure weapons, planes and other hardware of war.

The joint House-Senate conference report approved by the House was a whopping \$55.8 billion more than asked by the administration for military procurement for fiscal 1967.

Included are a number of controversial items not sought, but wanted by Secretary of Defense Robert S. McNamara.

Among these is \$130 million for a nuclear-powered frigate for the Navy and \$20 million to start another one.

Other items in the bill without McNamara's backing include \$30 million for development of the Nike X antimissile missile and an extra \$11.8 million to speed up work on a new manned bomber.

U.S. Fliers Tangle With Two MIG21s

SAIGON, South Viet Nam (AP)—U.S. fliers tangled with two MIG21s and eluded a barrage of missiles over North Viet Nam during bombing raids on missile, radar and fuel sites, the U.S. command reported today.

In a day of furious air activity, a "medium" bomber was destroyed and two oil installations and a radar site bombed, a spokesman said.

Carrier planes pounced on some 200 barges and trucks along the coast, and U.S. pilots reported destroying or damaging 59 of them.

The U.S. command announced the loss of an F105 Thunderbolt to Communist ground fire Monday. The pilot bailed out but he could not be rescued because of heavy antiaircraft fire and is listed as missing, a spokesman said.

U.S. headquarters also announced that a Navy F8 Crusader went down 40 miles east of Hanoi today and that the pilot was rescued. It was not known whether the plane crashed because of mechanical failure or was shot down, a spokesman said.

Boy Hurt as Motorcycle, Car Collide

A 17-year-old Twin Falls boy was seriously injured at noon today in a motorcycle-car accident at Third Avenue and Fourth Street North.

According to officers, the boy, Oliver Phillips, 17, 263 Buena Vista Blvd., son of Mr. and Mrs. Herman Phillips, was driving his motorcycle north along Fourth Street when the accident occurred.

As he entered the intersection, a 1965 Ford Falcon driven by Sherry Brown, 14, Northeast of city, struck his motorcycle, knocked him from it and dragged the motorcycle down the street for approximately 85 feet. Miss Brown is the daughter of Mr. and Mrs. Kenneth Brown.

Witnesses said Phillips fell through the air across the front part of a lawn, struck a tree, and landed on the sidewalk. Measurements indicated Phillips traveled through the air more than 70 feet after being hit.

A source at the hospital said it was too early to know the extent of Phillips' injuries, but he was bleeding profusely and officers indicated that he had a compound fracture of the right leg, and a broken pelvis.

SPECTATORS APPLAUD Prime Minister Indira Gandhi of India Tuesday as she walks with Russian Premier Alexei N. Kosygin after arriving by air from Yugoslavia for discussions on Viet Nam peace proposals. Mrs. Gandhi wears a beige and green sari and carries a bouquet. She is expected to spend four days in the Soviet capital. (AP wirephoto)

T. F. Exceeds Blood Quota; 158 Donate

The Red Cross Bloodmobile passed its quota by eight pints at the July drawing Monday afternoon at the American Legion Hall, according to Dale Patterson, Twin Falls blood program chairman. A total of 158 pints was donated at the drawing. There were 10 rejections. Patterson declared: "The response was most gratifying, this being the first time in a number of years that the quota has been met in the July drawing. It is indeed a wonderful feeling to have the fine people of Twin Falls respond to the needs of the community." Organizations for which blood was donated were LDS Church, Idaho Power, S. International Typographical Union, 3; Presbyterian Church, 3; Lutheran Church, 3; Baptist Church, 3; Post Office, 1; Methodist Church, 2; Idaho State, 2; Christian Church, 1; Salvation Army, 1; Cross blood drive held at the National Guard, 1, and Twin Falls Fire Department, 1.

A six-gallon pin was presented to P. Dill and a five-gallon pin went to Earl Haroldson. Mrs. Irene Benson received a four-gallon pin. Receiving three-See BLOOD, Page 2, Col. 6.

45 Pints of Blood Given For Patient

Mrs. Helen Keegan, 131 11th Ave. N., said she had contacted about 31 people prior to the blood drawing Monday to donate blood for her surgery, but that Monday several friends helped her reach the needed 45 pints of blood for the surgery and they contacted people asking them to give blood for her.

Mrs. Keegan said that several friends, while standing in line at the Legion Hall to give blood for her Monday, persuaded other people in the line to sign up to donate blood for her.

Mrs. Keegan commented, "I am grateful to everyone who donated blood to me and also to the friends who called and asked people to give the blood."

Predicament

LOGAN (AP)—Frankie Logans for help summoned a police car to a Logan residence.

Officers found two arms and two legs brisily waving from a garboge can.

The man who was rescued unhurt from the receptacle gave no explanation for his canny predicament.

Surveyor I Sends Sharp Photographs

PASADENA, Calif. (AP)—Surveyor I resumed early today sending sharply focused pictures of its lunar surroundings, but the spacecraft's sick battery makes scientists' plans doubtful.

A spokesman at Jet Propulsion Laboratory said Surveyor's battery was operating well during the short picture-taking session but "we're feeling our way along."

He said the photographs duplicated scans taken of the moon's surface after the 620-pound craft's soft landing June 13.

More photos are planned tonight, the spokesman said, if the battery survives. The power cell, operating at its normal 115-degree temperature, was working "brilliantly" when its temperature inexplicably rose to 140 degrees.

No Relief Seen in Eastern Heat Wave

By Associated Press
The mercury headed toward the 100-degree mark again today over much of the eastern half of the nation with no early relief in sight. Temperatures were a little lower across the northern tier of states from the Northern Plains to New England, but some readings in the 90s were in prospect in this area. Most of the country remained under a scorching sun, except for a few thundershowers in parts of the Midwest and Ohio Valley. The current heat wave extended to more than three weeks in some areas. Temperatures shot into the 100s Monday from the Great Plains to the southern and central Mississippi Valley.

Astronauts Prepare for Monday's Launching

CAPE KENNEDY, Fla. (AP)—The Gemini 10 astronauts donned their space suits today to participate in the first of two days of important rocket and spacecraft tests for Monday's double rendezvous and space walk launching.

Navy Cmdr. John W. Young and Air Force Maj. Michael Collins, both 35, practiced all launch-day exercises as ground crews conducted a two-rocket countdown rehearsal.

The National Aeronautics and Space Administration reported that the early phase of the day-long tests progressed smoothly. The rockets involved are an Atlas-Agena, which is to boost the Agena into orbit as a target satellite at 4:41 p.m. EDT next Monday, and a Titan 2, which is to hoist Gemini 10 into space at 5:12 p.m. EDT.

The astronauts will be back in the spacecraft Wednesday—this time in street clothes—to participate in a simulated flight and practice several emergency procedures, and key elements of the planned three-day flight. The backup astronauts, Navy Cmdr. Alan L. Bean and Marine Maj. Clifton C. Williams Jr. also will take part.

These are the last two major tests before the launch. The first afternoon launching was dictated by the position of another Agena, which the astronauts hope to rendezvous with on the second full day of their flight. That Agena was left in space last March after the Gemini 8 flight.

Young and Collins plan to link up with it during the fourth orbit.

They are to use the Agena's powerful engine to place them in a position to rendezvous with Agena 8. Collins is to step out, slide the spacecraft on a 50-foot lifeline and use a jet gun to move over to the Agena 8. He is to remove one micrometeorite detection package and attach another for later astronauts to retrieve.

That will be the second of two 55-minute working periods Collins plans outside. Earlier, he is to open his hatch, stand in the seat and conduct scientific and photographic experiments.

Street Work Is Under Way In Twin Falls

Construction of a cross drain began on the corner of Shoshone Street and Second Avenue North Monday morning, according to Ron Scheffele, city engineer.

Scheffele explained that this cross drain, which is being built beneath the street, will alleviate any flooding of this corner, and is being constructed to carry the drainage caused from rain, snow, etc., under the intersection.

A similar cross drain is being planned for the corner of Shoshone Street and Fourth Avenue East. This also will carry the water beneath the roadway.

Two valley gutters, dips constructed in the street to transport the water across the roadway, also have been planned at the corner of Main Avenue and Fourth Street South, and Shoshone Street West and Wall Street.

The valley gutters will carry the water on top of the street, and will prevent flooding of intersections.

Don Walton was the low bidder on the contract for construction of the cross drains and valley gutters at a bid of \$2,440. City Hall Construction Co. also bid on the project. Both companies are from Twin Falls.

The construction projects are expected to take from eight to 10 days each.

King Avows Nonviolent War on City

CHICAGO (AP)—Dr. Martin Luther King Jr. has declared a nonviolent war on Chicago and Mayor Richard J. Daley. King announced a "nonviolent assault" on the city and Daley after a two-hour meeting with Daley Monday. The meeting was "very disappointing," said King, chairman of the Southern Christian Leadership Conference. "We are demanding and begging," he told newsmen. "Our (the Negro) vote can and will be the balance of power. I do not think that the mayor understands the depth or dimension of the problem. If nothing is done, we are inviting a social disaster."

Mississippi Negro Push Takes Shape

GRENADA, Miss. (AP)—A nonviolent push by Negroes to make Grenada "an open city" shaped up today with the militant faction watching scornfully, poised to take over if the drive fails.

Rev. Hosea Williams, a leader in Dr. Martin Luther King's Southern Christian Leadership Conference, told a rally Monday night: "Get on your goate-to-go shoes. We are going to keep the streets of Grenada, Miss., hot."

Williams said tactics would include a boycott of white merchants downtown and numerous civil suits.

As Williams spoke inside a hot and crowded Negro church, Sockley Carmichael, head of the Student Nonviolent Coordinating Committee, stayed outside with several of his workers.

Williams said the SCLC had many workers in the area but wasn't involved with the SCLC in the "open city" drive. The two groups disagree on strategy.

Benson Says He's Leaving Demo Party

JEROME — Frank L. Benson, who was elected as attorney general as a Democrat in 1958, said today he is leaving the party.

He said he may file as an independent candidate for congressional office in Idaho's Second District.

"It appears," Benson said in a statement, "that of the three Democrats remaining in the race, the one who is in the lead and who will more likely win the nomination cannot, in my opinion, beat me."

"I am, therefore, cutting the ties that have heretofore bound me to the Democrats in order that I may support the man who is to run as an independent."

Benson did not identify the Democrat candidate he said is likely to win the nomination. The candidates are State Sen. Cecil J. Dean, who is running as a Republican, and State Sen. Dan S. Johnson, who is running as a Democrat.

No candidate has announced as an independent aspirant for governor, but Greater Idaho, a pro-governor group, has said it will sponsor such a candidate. Benson filed as a Democratic candidate for Congress but gave up votes in the endorsement poll call at the state assembly in Coeur d'Alene.

Benson made public a letter to Secretary of State L. R. Clark, informing the latter of his withdrawal as a Democratic congressional candidate.

Deadline on Registering to Vote in Primary Is July 30

Deadline for registering for a person has moved to a new precinct, or has recently become a resident of Twin Falls County, is registered and do not have to register again, he said, however, anyone who is affected by the creation of precinct number 10 and is in doubt of his registration, should call the registrar of either precinct 10 or 26 to verify his registration.

Lancaster said all other persons who voted in the last election are registered, and do not have to re-register. However, if for all election judges.

Strike Pinch Is Felt by Tour Centers

NEW YORK (AP)—The nation's tourist centers have begun to feel the pinch of the strike against five major airlines that began Friday.

Hotels throughout the country reported cancellations as visitors found it difficult to get to their destinations. Some tourists lined up at airports for available seats while others took to trains and buses or cars. Some even hitchhiked.

In New York, for example, cancellations or "no shows" for reservations of the city's 80,000 tourists a day began Friday, a hotel association reported.

At the New York Convention and Visitors Bureau put the tourist loss to the city as a whole at \$500,000 a day because of the strike.

The strike also was having its effect on business and the hotels.

Forest Area Reports Only 5 New Fires

By The Associated Press

The four-state northern forest region reported only five new fires Monday and most of the fires on an on-fire basis.

Forest Service Fire Dispatcher Del Cox of Missoula reported one fire under 10 acres on the Snake River in northern Washington and four fires under one-fourth acre.

Twenty-eight smoke jumpers reported on the Snake River. Forest of eastern Montana after two fires were controlled—one at 2,086 acres and the second at 30 acres. They had grass and scattered ponderosa.

Cox said two dozen jumpers also remained at the Wallaw Mountain fire in the Clearwater National Forest of Idaho. Concentrated lightning caused 30 to 35 fires in a small area, oak, fir, and they were treated on an on-fire basis and controlled at about 12 acres.

George S. Beckstead Dies in Utah

George Stanley Beckstead, 65, Twin Falls, Utah-Idaho insurance executive, died Sunday in a Murray, Utah, hospital of a lingering illness.

He was born Sept. 29, 1897, in Riverdale, Utah. He was educated in Provo schools and attended Brigham Young University. On Nov. 23, 1921, he married Chloa Evelyn Van Wageningen in the Salt Lake City LDS Temple.

Mr. Beckstead organized the Associated Life Insurance Co., one of the first insurance companies in Utah. When the organization merged with Equitable Life and Casualty Insurance Co., he was affiliated with it for 20 years.

He established the Stockmen's Meat Packing Plant in Gooding. Mr. Beckstead was president and organizer of the Equity National Life Insurance Co., and was president of Universal Securities and a general agent at Standard Life and Accident Insurance Co.

Survivors include his widow, one son, Kay S. Beckstead, Salt Lake City; three daughters, Mrs. Robert (Joyce) Campbell, Mrs. Jack (Janice) Morgan, both Salt Lake City; and Mrs. Elmer (Mary Evelyn) McDonald, San Francisco; one brother, Lee H. Beckstead, Burbank, Calif.; two sisters, Mrs. Violet Craven, Glendale, Calif.; and Mrs. Grant (Golda Ruth) Crandall, Salt Lake City, and 13 grandchildren.

Funeral services will be conducted at noon Wednesday at 4769 S. State, where friends may call from 6 to 8 p.m. Monday and Tuesday. Burial will be held at Murray City Cemetery.

Weather, Temperatures

Three Candidates Seek New Legislative Chairman Post

Three candidates are seeking the office of Republican legislative chairman of District 23, a new office created by the last session of the Idaho Legislature, in the Aug. 2 primary.

Eugene Sturgill, 537 Polk St., is seeking his first elective political office. He was born and raised in Kimberly and was graduated from Kimberly High School. He attended the University of Utah and Brigham Young University and was graduated with a B.S. degree in accounting in 1953.

Sturgill worked for the U.S. Treasury as a field auditor until 1958 and owned and operated a farm and cattle ranch for three years. Presently he owns and operates the Gene Sturgill Investment Co., a securities brokerage firm.

He was budget chairman for the Harrison School PTA in 1965 and this year will be president of O'Leary Jr. High School PTA. He helped start the Twin Falls Community Children's Theater and has acted in many productions and served as technical director.

Sturgill helped establish a chapter of the SPEBSQSA (barbershop chorus and quartets) this year and is serving as an officer of the group. He is active in the LDS Church.

He was a precinct committeeman for the Republican party during 1964-65 and is now Republican county finance chairman. He also is chairman of the Republican rally to be held this summer in Twin Falls.

About his reason for seeking the office, Sturgill commented, "A few years ago I decided it was time to get in and work for better government—instead of just sitting back and complaining. If we are to stop the growing trends towards socialism in this country we must have a strong grass roots political organization."

"I'm seeking the office of legislative chairman of the 23rd District because I believe in government by the people."

Joe McCollum, a resident of Idaho since 1942, is another candidate seeking the legislative chairman post. He was graduated from the University of Arkansas and did graduate work at the University of Illinois.

McCollum, commenting on

what he thinks his duties would be if elected Republican Legislative Chairman, said "I am interested in having the district chairman cooperate with the Republican Central Committee to make a strong county organization which will tend to elect Republicans. The main thing in this new office is to see there are legislative candidates file for legislative office and cooperate with the County Central Committee."

McCollum came to Twin Falls in 1946 after his return from the armed services. He organized and started the first of a chain of distribution outlets known as Simplot Soilbuilders, which are located in 11 Western states.

Before coming to Idaho, McCollum was employed by the USDA in California, Indiana, Michigan, Illinois and the Agriculture Extension Service in Arkansas.

McCollum has been active in civic affairs in Twin Falls. He has served as president of the Kiwanis Club and is a member of the Chamber of Commerce and past member of its board of directors.

He is a member of the Elks Club and Blue Lakes Country Club. He belongs to the First Baptist Church and has served as director of finance for the church and is presently a member of its board of trustees.

McCollum is serving on the board of directors of the Pacific Empire Life Insurance Co. and is a member of its investment committee.

In the Republican party McCollum has been precinct committeeman, county chairman, district committeeman, district chairman and a member of the executive committee of the State Republican Central Committee.

He has served as president of both the Bruin Boosters and Vandal Boosters and has been awarded honorary membership in the University of Idaho Alumni Association.

He and his wife live on a farm east of Twin Falls. They have two sons, Joe, Jr., who will be a senior at the University of Idaho, and David, who will be a senior at the Twin Falls High School this fall.

L. James Koutnik, 1347 Fremont Drive, is another candidate for legislative chairman. He has lived in Twin Falls for 18 years and has been active in community affairs. He attended the University of Idaho and the College of Idaho.

He has been an officer in the Twin Falls Central Committee, a former state committeeman, is presently county treasurer of the Republican Central Committee and was a member of the Idaho delegation at the Republican National Convention in San Francisco in 1964. He also is a precinct committeeman.

Asked about what the duties would be in the new office of Legislative Chairman, Koutnik said, "The main duties of this post will be representing the best interests of the Republicans living in District 23 and see that they have a strong voice and play a major part on the State Republican Central Committee."

Refugee Tells of Mail Censorship

MIAMI, Fla. (AP) — A newly arrived refugee said today that Cuba has increased its censorship of mail.

Felix Monzon, 28, a former messenger for the Cuban Telegraph Co., said government agents opened mail to and from the United States. If obliging mail contained criticism of the Cuban government, the sender would be investigated, Monzon said.

He said many persons have been arrested for mailing out letters criticizing the Castro regime.

Vote FOR John NOH

Republican Candidate
STATE SENATOR

His business is Farming and Livestock. He started working for wages. Now Noh Sleep Co., operates some 4,000 acres of deeded land plus Federal Grazing rights. 5,000 Sheep and 700 Cattle. Presumably all paying taxes in Twin Falls County.

No. 3—Continued tomorrow.
Pd. Pol. Adv. Carl Irwin, Chmn.

Withdrawal Won't Bring Peace

WASHINGTON (AP) — Can war go on because U.S. honor is at stake? The United States withdrawal or is deeply involved in a clash from Viet Nam with national purpose with the militant Red leadership of the Viet Cong, its South Viet Nam to Communist? Few of the leading critics of aggression, the Johnson administration policies in Viet Nam are advocating immediate withdrawal. Most of them urge South Viet Nam to negotiate a settlement, become convinced that their administration says it is effort to take over South Viet Nam by force cannot succeed, and act accordingly. That is the administration's oft-repeated thesis.

And if the Viet Cong and Hanoi has spurned all approaches, not remain unconvinced, officials say, there can be no question of U.S. withdrawal and the involvement in the U.S. presence in Viet Nam, according to administration supporters.

Gen. Maxwell D. Taylor, former chairman of the Joint Chiefs of Staff and ex-ambassador to South Viet Nam, stated the corollary American objective: "We must destroy the myth of its invincibility," Taylor told the Senate Foreign Relations Committee.

To demonstrate that a policy of "wars of liberation" sponsored by Peking and its allies, Viet Nam, according to administration supporters.

Gen. Maxwell D. Taylor, former chairman of the Joint Chiefs of Staff and ex-ambassador to South Viet Nam, stated the corollary American objective: "We must destroy the myth of its invincibility," Taylor told the Senate Foreign Relations Committee.

Tuesday, July 12, 1966
Twin Falls Times-News 3

far from being a safe or cheap method for advancing communism, is a venture that is doomed to costly failure.

"We must destroy the myth of its invincibility," Taylor told the Senate Foreign Relations Committee.

mitted, "in order to protect the independence of many weak nations which are vulnerable to subversive aggression."

British Ask Recording of Engagements

LONDON (AP) — Couples in love should be required to register their engagements with the government and wait six months to marry, the British Bar Association's General Council says.

"If marriages were made more difficult, divorce would become less prevalent," said a member of the council.

Man Loses 293 Pounds In 392 Days

DUNDEE, Scotland (AP) — Angus Barri, down to a trim 179 pounds from 472, Monday had his first meal in more than a year.

Breakfast was served: one boiled egg, a slice of buttered bread, and a cup of coffee without cream and sugar.

Angus, 35, a taxi driver, ate slowly, then sat back and smiled.

"I thoroughly enjoyed my egg, and I feel very full," Angus said, looking forward to a vacation in Spain and a gradual return to getting back to eating, but with an eye to keeping his weight stable.

Angus, who worked in his family's fish and chips shop, amazed doctors at Maryfield Hospital by his will power since they had suggested a diet 392 days ago.

He gave up his job and reported to the hospital for stays of two or three days at a time.

One of the doctors said: "Usually patients have to stay in the hospital to resist their temptation to eat, but he has spent a lot of time at home. This is one of the most remarkable cases of voluntary weight reduction I have ever heard of."

What now?

"He will gradually get back to a light steak and odd strings of spaghetti and will gently work himself back to a normal life with ordinary food."

Angus said he feels fine after living on a diet of water, soda water, tea and coffee, and specially prescribed vitamin pills.

"I have forgotten what food tastes like," he said before tackling his first solid meal in more than a year.

Angus, who is unmarried, said he's going to look for a new job when he comes back from his vacation.

Postwar Generation Called Flabby

LOS ANGELES (AP) — The postwar babies have grown into a flabby generation of Americans, puffed by the easy life, and stumped by lengthy television vigils.

That's the opinion of athletic trainers George Sullivan of the University of Nebraska and Will Newell of Purdue University, at the 3rd annual American Physical Therapy Association meeting here.

"They're too fat," Sullivan said Monday of Americans born in 1945, 1946 and 1947.

"Youngsters use power mowers to mow the lawn, ride bicycles instead of walk, and then, of course, graduate to cars and motor bikes," Newell said.

Newell said television was the single largest factor in bad posture, called "TV slump."

They get round shoulders and curvature of the spine from sitting in front of television like this," Sullivan said, demonstrating a slumped position with most of the body weight on the back of the neck.

Mrs. Kennedy Is Back in Honolulu

HONOLULU (AP) — Mrs. John F. Kennedy has returned to Honolulu after a weekend trip to Kauai Island, most notably to the beach and the Hawaiian Islands.

Mrs. Kennedy originally planned to visit Kauai, Oahu, and the north of Honolulu, but postponed the visit when her son John, 5, burned his hand and back on some hot coals at a beach bonfire on Hawaii Island. John's hand is almost healed now.

POINTING OUT TURKISH points of interest is Carl Helms, a 1958 graduate of Twin Falls High School who is serving in the Peace Corps in Turkey. Mr. and Mrs. Collins Helms, 857 Third Ave. W., his parents, listen intently as he describes his life in the Eastern country. Helms will return to Turkey in the near future as an associate director of the Peace Corps. (Times-News photo)

Local Peace Corps Worker Likes Turkey, Plans Return

"Once you get to know a little Turkish, it's a pretty nice place to be," is the way Carl Helms, son of Mr. and Mrs. Collins Helms, 857 Third Ave. W., summed up his two years as a volunteer Peace Corps worker in Turkey.

Helms, a 1958 graduate of Twin Falls High School, has been serving as a mathematics teacher in the Middle East Technical University, Ankara, Turkey.

Members of the Helms family, who exclaimed that they were "certainly proud" of their son, are spending this week hearing of life in the Eastern country and becoming acquainted with their son, who has been away for about two years.

Turkey, as described by Helms, is a proud country, and the people are exceptionally friendly and eager to become acquainted with the volunteer workers.

He said they seem to feel the Western countries are their ideals, and strive to copy the West. He said that most of the people wear clothes similar to what is worn in Western cities, and only the small, remote villages wear traditional costume.

He described many of the archaeological ruins, many of which are not listed on maps or in brochures. He said many old castles, churches and amphitheaters are found in the country, and some are untouched since the era in which they were built.

Helms said that Turkey is a country abounding in deserted seacoasts and beautiful beaches. Many of these beaches are not used, and most have retained their natural beauty.

Turkey is a land of three societies—the villages, the cities and towns—which are making a transition to industry and a modern way of life, according to Helms.

He pointed out that while it would be erroneous to say that the Peace Corps alone is responsible for the modernization of these towns, the volunteer workers indirectly have been instrumental in bringing about this progress.

An interesting point noted by Helms was the fact that until two years ago, little, if anything, was known about the many small, remote villages of Turkey. In the past two years workers have entered these villages.

'Open-Arms' Plan Worries Viet Cong

SAIGON, South Viet Nam (AP) — Viet Cong leaders were reported today showing increasing concern about the effectiveness of the South Vietnamese government's "open-arms" program to lure defectors.

Intercepted Communist directives ordered commanders of guerrilla units to "take firm control of your troops" and diminish their exposure to the government's propaganda efforts.

One directive told the guerrillas to "cover your ears and mouth" when government loud-speaker planes appear. Others told them to "beat on pots and pans" to drown out the loud-speakers.

The guerrillas also have been ordered to "destroy immediately" leaflets encouraging them to desert.

According to government statistics, the "open-arms" program has been growing steadily. In 1959 a total of 11,324 Viet Cong guerrillas deserted their ranks. Through last Thursday, 10,171 returnees were processed through government "open-arms" points, about twice the number in the same period last year.

Orangemen Celebrate Boyne Battle

BELFAST, Northern Ireland (AP) — The Orangemen of Northern Ireland celebrated the Battle of the Boyne today with street dancing, anti-papist songs and a parade of 100,000 Protestants while Roman Catholic districts of Belfast were shuttered and silent.

The day commemorates the battle on the banks of the River Boyne July 12, 1690, when William of Orange defeated Catholic King James II and insured a Protestant monarchy. But it also is intended to show the Republic of Ireland, which is 95 percent Catholic, that the Loyal Order of Orange intends to keep this corner of Ireland Protestant and British-ruled.

More than 100 bands and 310 lodges of the Loyal Order of Orange turned out in the capital of Ireland's six northern counties to march with orange sashes, drawn swords, rolling drums and waving banners.

Friends waiting for him to arrive in Twin Falls for a warm homecoming. They finally drove home after he was not on the bus and found him calmly eating lunch.

When asked about the problem in getting home, Helms said, "It wouldn't have happened in Turkey."

Helms arrived in the United States on July 3, and boarded a plane for Twin Falls. While in Denver he became a victim of the airline strike, and was forced to take a bus into Laramie, Wyo. To make matters worse, Helms missed the only bus out of Laramie to Twin Falls and was stranded in the Wyoming town.

After waiting several hours he boarded a bus to Ogden, and was again forced to wait. At this point he gave up on the transportation service, rented a car and drove home.

Mennville's parents were at the bus station with a group of friends waiting for him to arrive in Twin Falls for a warm homecoming. They finally drove home after he was not on the bus and found him calmly eating lunch.

When asked about the problem in getting home, Helms said, "It wouldn't have happened in Turkey."

Mayor Pays In Turkey Quake

LOUISVILLE, Ky. (AP) — The city couldn't pay, so the mayor did.

A social worker asked Louisville Mayor Keith A. Schuchman if the city could pay the first month's rent on a new home for an elderly woman whose home is being torn down by the city.

Schuchman said the city couldn't under the law. He said the only thing for me to do is to give it out of my pocket. He paid the \$25.

Reagan's Campaign Cost Is Told

LOS ANGELES (AP) — Ronald Reagan spent \$544,199.66 in winning the California Republican gubernatorial nomination, while Los Angeles Mayor Samuel W. Yorky spent \$311,263.76 in losing the Democratic nomination.

Reports released by Bob Hite, Reagan's campaign treasurer, show that Reagan received \$544,199.66 to pay for campaign expenses — \$112,019 alone was raised April 20 at a \$100-a-plate dinner.

Yorky's campaign treasurer said \$305,351.88 was contributed toward the mayor's expenses.

Yorky was defeated by Gov. Edmund G. Brown, and Reagan won over George Christopher, former mayor of San Francisco.

Neither man's expenditure report was available, but state law requires that campaign receipts and expenditures be reported by today.

12 Deaths Noted In Turkey Quake

ISTANBUL, Turkey (AP) — A destructive earthquake was recorded early today in Turkey's eastern province of Moush, the national radio reported. Twelve deaths were reported.

The broadcast said the quake appeared to have occurred in the region of Varto, a township some 125 miles west of the Iranian border. It shook all villages in the region.

The 12 dead were recorded in the village of Bagin, which was reported destroyed. Ten persons were injured. Heavy destruction was also reported in more than 50 other villages.

HOW TO TELL GOOD PEOPLE FROM BAD PEOPLE

THIS IS YOUR SECRET BOOK!

Would Your Children Know What To Do?

A child... perhaps your child... in outside playing or walking home from school. Happy. Innocent. Trusting. A car approaches and stops, there's an offer of candy or "a ride in the shiny new car"... the ending of the story is the headline of tomorrow's news. Every child is subject to molestation, the victim of all crimes, and statistics underline the need for action.

We must educate our pre-teenage children to be aware that there are bad people, without creating in them a mistrust for everyone. "The Secret Book" was created to help accomplish this difficult task. It is enthusiastically approved by PTA groups, law enforcement agencies, church administrators and parents. Phone, send the coupon or call in person for as many copies as you wish.

HOW TO TELL GOOD PEOPLE FROM BAD PEOPLE

THIS IS YOUR SECRET BOOK!

Would Your Children Know What To Do?

A child... perhaps your child... in outside playing or walking home from school. Happy. Innocent. Trusting. A car approaches and stops, there's an offer of candy or "a ride in the shiny new car"... the ending of the story is the headline of tomorrow's news. Every child is subject to molestation, the victim of all crimes, and statistics underline the need for action.

We must educate our pre-teenage children to be aware that there are bad people, without creating in them a mistrust for everyone. "The Secret Book" was created to help accomplish this difficult task. It is enthusiastically approved by PTA groups, law enforcement agencies, church administrators and parents. Phone, send the coupon or call in person for as many copies as you wish.

British Ask Recording of Engagements

LONDON (AP) — Couples in love should be required to register their engagements with the government and wait six months to marry, the British Association's General Council says.

"If marriages were made more difficult, divorce would become less prevalent," said a memorandum from the council to the British government.

"It is our view that no license to marry should ever — except in some exceptional cases — be granted until the parties have been engaged for a period of at least six months."

The government is considering lowering the age for marriage without parental consent from 21 to 18.

Man Loses 293 Pounds In 392 Days

DUNDEE, Scotland (AP) — Angus Barberie, down to a trim 179 pounds from 472, Monday had his first meal in more than a year.

Breakfast was served — a boiled egg, a slice of buttered bread, and a cup of coffee — without cream and sugar.

Angus, 26, a six-footer, ate slowly, then sat back and smiled.

"I thoroughly enjoyed my egg, and I feel very full."

Now he's looking forward to a vacation in Spain and a gradual return to getting back to eating, but with an eye to keeping his weight stable.

Angus, who worked in his family's fish and chips shop, amazed doctors at Maryfield Hospital by his will-power since they had suggested a diet 392 days ago.

He gave up his job and reported to the hospital for six or seven days at a time.

One of the doctors said: "Usually patients have to stay in the hospital to resist their temptations to eat, but he spent a lot of time at home. This is one of the most remarkable cases of voluntary weight reduction I have ever heard of."

What now?

"He will gradually get back to a light steak and odd strings of spaghetti and will gently work himself back to a normal life with ordinary food."

Angus said he feels fine after living on a diet of water, soda, tea and coffee and specially prescribed vitamin pills.

"I have forgotten what food tastes like," he said — before tackling his first solid breakfast in more than a year.

Angus, who is unmarried, said he's going to look for a new job when he comes back from his vacation.

Postwar Generation Called Flabby

LOS ANGELES (AP) — The postwar babies have grown into a flabby generation of Americans, puffed by the easy life, and stumped by lengthy television vigils.

That's the opinion of athletic trainers George Sullivan of the University of Nebraska and William Nevell of Purdue University, at the 43rd annual American Physical Therapy Association meeting here.

"They're too fat," Sullivan said Monday of Americans born in 1945, 1946 and 1947.

"Youngsters use power mowers to mow the lawn, ride bicycles almost as soon as they're licensed to walk, and then, of course, graduate to cars and motor bikes," Nevell said.

Both men said television is the single largest factor in bald posture, called "TV slump."

"They get round shoulders and curvature of the spine from sitting in front of television like this," Sullivan said, demonstrating a slumped position with most of the body weight on the back of the neck.

Mrs. Kennedy Is Back in Honolulu

HONOLULU (AP) — Mrs. John F. Kennedy has returned to Honolulu after a weekend trip to Kauai Island, most northern and picturesque of the Hawaiian chain.

Mrs. Kennedy originally planned to visit Kauai, 100 miles north of Honolulu, last weekend but postponed the visit when her son John, 5, burned his hand and back on some hot coals at a beach cigarette on Hawaii Island. John's hand is almost healed now.

POINTING OUT TURKISH points of interest is Carl Helms, a 1958 graduate of Twin Falls High School who is serving in the Peace Corps in Turkey. Mr. and Mrs. Collins Helms, 857 Third Ave. W., his parents, listen intently as he describes his life in the Eastern country. Helms will return to Turkey in the near future as an associate director of the Peace Corps. (Times-News photo)

Local Peace Corps Worker Likes Turkey, Plans Return

"Once you get to know a little Turkish, it's a pretty nice place to be," is the way Carl Helms, son of Mr. and Mrs. Collins Helms, 857 Third Ave. W., summed up his two years as a volunteer Peace Corps worker in Turkey.

Helms, a 1958 graduate of Twin Falls High School, has been serving as a mathematics teacher in the Middle East Technical University, Ankara, Turkey.

Members of the Helms family, who exclaimed that they were certainly "proud" of their son, are spending this week hearing of life in the Eastern country and becoming reacquainted with their son, who has been away for about two years.

Turkey, as described by Helms, is a proud country, and the people are exceptionally friendly and eager to become acquainted with the volunteer workers.

He said they seem to feel the Western countries are their ideals, and strive to copy the West. He said that most of the people wear clothes similar to what is worn in Western cities, and only the small, remote villages wear traditional costume.

He described many of the archeological ruins, many of which are not listed on maps or in brochures. He said many old castles, churches and amphitheaters are found in the mountains, and some are untouched since the era in which they were built.

Helms said that Turkey is a country abounding in deserted beaches and beautiful bays. Many of these beaches are not used, and he has retained their natural beauty.

Turkey is a land of three specialties—the villages, the cities and towns—which are making a transition to industry and a quasi-modern way of life, according to Helms.

He pointed out that while it would be erroneous to say that the Peace Corps alone is responsible for the modernization of these towns, the volunteer workers indirectly have been instrumental in bringing about this progress.

An interesting point noted by Helms was the fact that until two years ago, little, if anything, was known about the many small, remote villages of Turkey. In the past two years, workers have entered these villages.

member of her husband's family.

While the normal period of volunteer work is two years, Helms has enjoyed his work and the life in Turkey so much, he is returning for another 24 to 30 months. In his new position he will not teach, but will work as an employee of the Peace Corps in an administrative position.

Mr. and Mrs. Helms hosted an open house for their son on Sunday, and will have a family reunion next week. Another son of the Helms, Roy, will arrive from Alaska next week to visit with his brother and family.

An incident which happened to the Peace Corps worker upon his return to the United States has brought many laughs to his family, even though it wasn't particularly humorous when it happened.

Helms arrived in the United States on July 3, and boarded a plane for Twin Falls. While in Denver, he became a victim of the airline strike, and was forced to take a bus into Laramie, Wyo. To make matters worse, Helms missed the only bus out of Laramie to Twin Falls and was stranded in the Wyoming town.

After waiting several hours he boarded a bus to Ogden, and was again forced to wait. At this point he gave up on the transportation service, rented a car and drove home.

Meanwhile his parents were at the bus station with a group of friends waiting for him to arrive in Twin Falls for a warm homecoming. They finally drove home after he was not on the bus and found him calmly eating lunch.

When asked about the problem in finding home, Helms said, "It wouldn't have happened in Turkey."

'Open-Arms' Plan Worries Viet Cong

SAIGON, South Viet Nam (AP) — Viet Cong leaders were reported today showing increasing concern about the effectiveness of the South Vietnamese government's "open-arms" program to lure defectors.

Intercepted Communist directives ordered commanders of guerrilla units to "take firm control of your troops" and diminish their exposure to the government's propaganda efforts.

One directive told the guerrillas to "cover your ears and shout" when government loud-speaker planes appear. Others told them to "beat on pots and pans to drown out the loud-speakers."

The guerrillas also have been ordered to "destroy immediately" leaflets encouraging them to desert.

According to government statistics, the "open-arms" program has been growing steadily. In 1965, a total of 11,224 Viet Cong guerrillas deserted their ranks. Through last Thursday, 19,171 returnees were processed through government "open-arms" points, about twice the number in the same period last year.

Orangemen Celebrate Boyerne Battle

BELFAST, Northern Ireland (AP) — The Orangemen of Northern Ireland celebrated the Battle of the Boyne today with street dancing, anti-papist songs and a parade of 100,000 Protestants.

The day commemorates the battle on the banks of the River Boyne July 1, 1690, when William of Orange defeated Catholic King James II and insured a Protestant monarchy. But it also is intended to show the Republic of Ireland, which is 95 percent Catholic, that the Loyal Order of Orange intends to keep this corner of Ireland Protestant and British-ruled.

More than 100 bands and 310 lodges of the Loyal Order of Orange turned out in the capital of Ireland's six northern counties to march with orange sashes, drawn swords, rolling drums and waving banners.

Friends waiting for him to arrive in Twin Falls for a warm homecoming. They finally drove home after he was not on the bus and found him calmly eating lunch.

When asked about the problem in finding home, Helms said, "It wouldn't have happened in Turkey."

Mayor Pays 12 Deaths Noted In Turkey Quake

ISLAMBUL, Turkey (AP) — A destructive earthquake was recorded early today in Turkey's eastern province of Mosh, the national radio reported. Twelve deaths were reported.

The broadcast said the quake appeared to have centered in the region of Varto, a township some 125 miles west of the Iranian border. It shook all villages in the region.

The 12 dead were recorded in the village of Bager, which was reported destroyed. Ten persons were injured. Heavy destruction was also reported in more than 50 other villages.

Reagan's Campaign Cost Is Told

LOS ANGELES (AP) — Ronald Reagan spent \$54,199.66 in winning the California Republican gubernatorial nomination, while Los Angeles Mayor Samuel W. Yorty spent \$31,283.78 in losing the Democratic nomination.

Reports released by Ben Hite, registrar of voters, Monday show that Reagan received \$54,199.66 to pay for campaign expenses. Yorty's \$31,283.78 was raised April 20 at a \$100-a-plate dinner.

Yorty's campaign treasurer said \$305,354.88 was contributed toward the mayor's expenses. Yorty was defeated by Gov. Edmund G. Brown, and Reagan won over George Christopher, former mayor of San Francisco. Neither man's expenditure report was available but state law requires that campaign receipts and expenditures be reported by today.

Idaho News

WILDER, IDAHO (AP) — Injuries received after a fall from a horse brought death Monday to Ronnie L. Hodge, 5-year-old son of Mr. and Mrs. Robert L. Hodge of Wilder.

Officers said the horse either kicked or stepped on the boy after he fell from the animal.

MINER KILLED
WALLACE, IDAHO (AP) — A miner was killed underground in the Lucky Friday Mine near Wallace Monday when an ore pile slipped and he was carried with it into an ore chute, Coroner A. M. Peterson said.

The coroner said Lance W. West, 25, was preparing the pile for raising timber when it apparently slipped and he was carried with it into an ore chute, Coroner A. M. Peterson said.

The Lucky Friday is operated by the Hecla Mining Co.

CONSTRUCTION STARTS
POCATELLO (AP) — Construction of the \$5.8 million flood control project through the city of Pocatello is underway for a target completion date of January 1968.

Heavy equipment and some 30 construction workers began clearing ground on each end of the five-mile Portneuf river project that will include straightening, concrete channeling and lining with riprap.

Murphy Brothers of Spokane, Wash., has until September 1968 to finish the project but hopes to complete it eight months sooner.

Ten State Routes Set by Trail Group

BILLINGS, Mont. (AP) — The Lewis and Clark Trail Commission concurred with 10 state route designations and laid the ground rules for use of trail markers as members met here Monday.

The 11th state in the group, Illinois, has not designated its route. Approved routes are in Missouri, Kansas, Nebraska, Iowa, the Dakotas, Montana, Idaho, Oregon and Washington.

Commercial use of the brown and beige trail markers designed by the commission and there was no decision. The commission approved use of the official markers by federal, state and local governments and nonprofit agencies.

A committee will study the pros and cons of commercial use of the markers.

The commission asked the Oregon State Highway Department to place a plaque at Crown Point State Park in Oregon in memory of the commission's first member, Marshall M. Dana of Portland.

Mrs. Firestone Sues Magazine

PALM BEACH, Fla. (AP) — The wife of millionaire industrial heir Russell A. Firestone Jr. has filed suit for \$5 million against Time, Inc., over a story that appeared in Life magazine.

Mary Alice Firestone, whose suit was filed Monday in Circuit Court, asked \$3 million in actual damages and \$2 million in punitive damages.

The suit alleged that "infringement of privacy and quotations" were published in a Life story on an anarchy by private detectives.

Mrs. Firestone is suing her husband for separate maintenance and child custody. He has filed a counteraction for divorce.

ANDRUS SPEARS
IDAHO FALLS (AP) — Democratic gubernatorial candidate Cecil Andrus said Monday Idaho must move immediately to survey and begin development of its water resources.

The state senator from Groffing said that if he is elected he will "Renovate the ineffectual state water resources board" to begin the work.

Andrus said inaction by state government has encouraged southwestern states to plan diversion of Idaho water — while "we have arid but potentially productive land wasting for lack of water."

KILLED IN WRECK
BLACKFOOT (AP) — A six-year-old boy was killed Monday afternoon in a bicycle-car accident near Blackfoot.

Police said Nicholas Ramsdell was riding his bike when he apparently turned in front of a car driven by William Smith, 39, of Blackfoot.

SPEAKER NAMED
SANDPOINT (AP) — Rex Arnold, Olson, D-Mont., was announced Monday as guest speaker at the annual membership meeting of Northern Lights, Inc., a cooperative electrical association. The session will be in Sandpoint July 14.

General Manager William T. Norden said more than 1,100 members and guests are expected to attend.

ACQUIRES BASE
BOISE (AP) — A key electrical industry C. P. Clark and Co. of Chicago, has acquired an Idaho base, the State Department of Commerce and Development said Monday.

The department said Clark acquired 98 per cent interest in Pendar, Inc., at Post Falls.

REVIEW ASKED
MOSCOW, IDAHO (AP) — A bi-annual legislative review of the rules and regulations of Idaho commissions was asked here Monday by Charles Herndon, Democratic candidate for Idaho governor.

Now, we are subject to the whims of whoever happens to be administering a particular commission — and in many cases the rules they establish are not in the best interest of the people of Idaho," Herndon said.

He said as prime example is the state tax commission's action in overriding the property tax assessment by the county assessors in Latah and other counties.

Religious Drama Scheduled Here

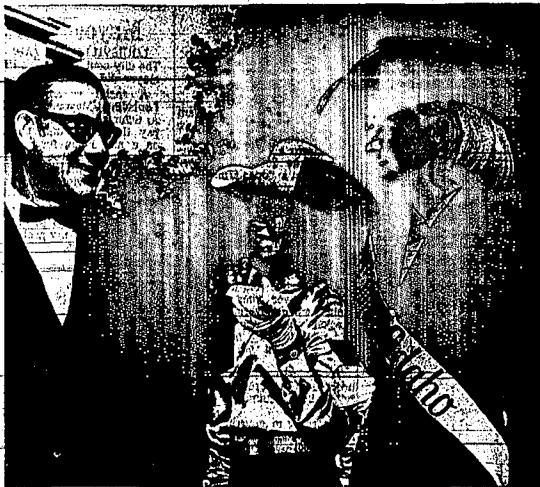

The Johnson Bible College Players will present a religious drama, "The Everlasting Arms," at 8 p.m. Friday under a big top tent at Lincoln School Field.

The play is a dramatic and missionary candidate students make up the cast of the three-act drama which dramatizes the impact of modern theological teachings upon college students and others. The troupe is on a 5,000-mile tour of the United States and Canada this summer, appearing in 20 states, the District of Columbia and four Canadian provinces.

The Kum Duhle Class of the First Christian Church is sponsoring the appearance. A free will offering will be taken.

RUNS FOR SENATE
MANCHESTER, N.H. (AP) — William Sifton, son of U.S. Sen. Leverett Sifton, R-Mass., is running for the Massachusetts State Senate.

If you plant it or feed it —
GLOBE SEED
Will have it!

TALKING TO GOV. Robert Smylie about Frontier Days, July 21-31 in Twin Falls, are Beth Williams, center; Miss Frontier Days Queen of 1966, and Harriet Sharp, right, the reigning Miss Rodeo Idaho. The two girls were part of a caravan that traveled from Twin Falls to Boise Monday to present Idaho's governor with tickets to Frontier Days.

Caravan Travels to Capitol To Publicize Frontier Days

A caravan of vigilantes, and a character who calls herself "Carabelle Klunkenhof" and is supposedly from "Fat" River, Idaho, left Twin Falls at 9:15 a.m. Monday to travel to the Capitol in Boise to promote Frontier Days, scheduled for July 21-31 in Twin Falls.

The caravan stopped and passed through Jerome and Mountain Home and up to the Capitol. The caravan, trying to build enthusiasm in other towns for Frontier Days, was well received throughout the trip, according to Jack Windsor, general chairman of the event.

The caravan met Gov. Robert E. Smylie in Boise and presented him with rodeo tickets to Frontier Days. Governor Smylie will be parade chairman of Frontier Days and will attend the rodeo with several other dignitaries.

The next caravan promoting Frontier Days will be July 18, when a group from Twin Falls will travel to the Nampa Stampede and attend a parade.

Entries for queen contestants in Frontier Days will not close until Friday, and entry blanks may be picked up until then at Peterson's Western Apparel, Twin Falls.

City Problems Are Noted by Republicans

WASHINGTON (AP) — Republicans maintained today that "massive infusions of federal aid" have failed to keep pace with problems confronting the nation's cities.

They called for a portion of federally collected revenue to be returned to the states and "that a major portion of such shared revenues... be immediately applied to metropolitan problems."

A position paper issued today by the Republican Coordinating Committee said a new approach should be adopted — "one in which the governments of our states play a major role and which fosters the involvements of local groups and governments."

"Despite the massive infusions of federal aid, it is apparent that urban problems have increased faster than the pace of solutions from Washington," the report said.

"With all its liabilities, the application of assistance from the national government to meet metropolitan needs has often been inadequate."

It listed as drawbacks of federal aid: Loss of local control, erosion of representative government, decreased citizen participation, arbitrary requirements, exaggeration of costs, worsening of the states and distortion of reality.

No Sympathy

ST. LOUIS, Mo. (AP) — Traffic Commissioner Ellis Henry Jr., does not sympathize with St. Louisans forced to reset their clock after Monday's power-out cut caused by the heat wave.

"We've got to reset almost 400 traffic lights," he mused.

Union Electric Co. is curbing power in selected districts to compensate for effects of the heat on equipment and an overload caused by heavy use of air-conditioners and fans.

Alumni Council To Hear Johnson

WASHINGTON (AP) — President Johnson will fly to White Sulphur Springs, W.Va., tonight to address the American Alumni Council.

In announcing the trip, press secretary Bill D. Moyers said 1,200 delegates representing 950 colleges are attending a meeting of the council at the Greenbrier Hotel.

LEADER NAMED

LOUISVILLE, Ky. (AP) — Dr. Robert J. Schroeder of Los Angeles has been named President-elect of the American Veterinary Medical Association. He will become president at next year's convention.

BRADFORD EVANS
public affairs officer
for NASA's huge Ames Research Center, Moffett Field, Calif., is in charge of the space exhibition that will be shown in Burley, July 25-31, in connection with the second annual Aerospace Day program. The exhibition, biggest of any to be exhibited anywhere this year, includes the complete Apollo set for the first manned moon landing.

Pioneer Day Celebration Is Scheduled

HAGERMAN — The annual Pioneer Day celebration at Hagerman will be held on Saturday, July 23, according to Douglas Wood, general chairman.

The celebration will get underway at 11 a.m. with the Parade on main street with the theme "Parade of Progress." Parade committee members are Jack Allen, Howard Haslam, Ted Andrus, Ronald Hoskins, Jerry Loveland and Floyd Marsh.

Members of the Hagerman LDS Relief Society will serve a baked ham buffet dinner at noon at the American Legion Hall. A cow cutting contest will also be held at noon in the rodeo grounds.

The Queen's contest will be held at 1 p.m. in the rodeo arena, and the rodeo will start at 1:30 p.m. featuring saddle bronc riding, calf roping, bareback riding, team roping, girls calf tying, kids calf riding and wild cow milking.

A specialty act will be staged by the Liberty Belles of Gooding. Rodeo committee men are Morris Nielson, Howard Haslam, Doc Christensen, and Lloyd Brown, and ticket sales and publicity will be handled by Dean Williams.

The day long activities will end with the Queen's dance to be held at 9 p.m. in the Legion hall, with Verne Royce in charge of the contestants.

Stanley Penfold, Hagerman village board member, will be ex-officio member of the general committee.

Young ladies aged 14 to 20 years are eligible to enter the Queen's contest. Those interested should contact Sheriff Royce at the Gooding county sheriff's office. The deadline for entry will be 5 p.m. July 14. Entrants must have a two inch wide photo of themselves at the time of entry.

Basis of judging will be 20 per cent for ticket sales, 30 per cent for personality and 50 per cent for horsemanship. All contestants will be required to ride in the Pioneer Day parade at 11 a.m. July 23. The queen will be crowned at the dance.

Sales Tax, State Operations Top Campaigns

By EARLE L. JESTER
BOISE (AP) — The sales tax and operation of state government rate top interest as campaigning moves into the home stretch in Idaho's primary election, just three weeks from today.

Contests for governor in both parties have drawn the most attention, but nominations also deign to give the state a more are at stake for two congressional-business-like administration.

signaling and two state offices. Voting is scheduled for Aug. 2, with polls open from noon until 8 p.m.

Gov. Robert E. Smylie's big operation. Smylie contends the state is making satisfactory economic progress and points to figures for a fourth term in being challenged by State Sen. Don Samuelson of Sandpoint, who says if progress shows per capita income of Idaho residents increased at a more rapid rate in 1968 than in any other state.

Samuelson says he will do this by asking representatives of all sales tax, which he recommends segments of Idaho's economy do it to the 1965 legislature, and for advice on state government operation.

Grangeville is a sales tax opponent and the third aspirant, Charles Herndon of Salmon, is neutral on it, arguing that the issue will be decided by the people in a referendum at the Nov. 8 general election.

Brunt of Idaho Falls and Army Capt. George A. Willmore of Resburg, now in Viet Nam, seek the congressional nomination in the Second District. The winner will oppose the incumbent, George Hansen of Pocatello, a Republican.

In the First District, incumbent Democrat Compton I. White of Clark Fork is unopposed. Seeking the Republican nomination are Star Sen. cratic candidates for secretary James A. McClure of Payette and Robert Purcell of Lewiston.

Each party has one other US TIMES-NEWS WANT ADS contest. Sidney E. Smith of FOR FAST-SELLING RESULTS

MR. AND MRS. DELMAN JOHNSON
(Burley portraits)

Gay Dawn May, Johnson Wed in Home Ceremony

BURLEY — Gay Dawn May, daughter of Mr. and Mrs. Wayne May and Delman Johnson, son of Mr. and Mrs. Everett Johnson, all Burley, were united in marriage June 17 at the home of the bride.

Bishop Thomas Geary performed the evening double ring ceremony before a setting of tall beauty baskets of pink and white peonies.

The bride, given in marriage by her father, recited vows in a floor-length gown of white enameled tulle, featuring an empire-waistline, satin necktie and long lily point sleeves. The wedding gown was made by Mrs. Linda Cutler, sister of the bride.

Her bouffant fingertip veil of illusion was held by a circlet of seed pearls. She carried an orchid surrounded by cascading pink shatterd carnations. A family heirloom, a single strand of crystals that belonged to the bride's great-grandfather, was her only jewelry.

Mrs. Linda Cutler, sister of the bride, was matron of honor. Bridesmaids were Paula Al-

red, Linda White, Pamela Funk and Linda Adams. Flower girl was Shanna Lee Cutler, niece of the bride.

Harold Johnson was best man. Ushers were Victor Warr, Michael Knoblauch, Marshall May, Marvin May and Kyle Hansen. Marvin May was ringbearer.

Janet Schwaegler played the traditional wedding music and accompanied Twila Hunt, soloist.

Following the ceremony, the newlyweds greeted guests at an open house.

The bride's table, covered with a white lace cloth, was centered with a three-tiered wedding cake decorated with pink roses. A miniature bride and bridegroom topped the cake. Flanking the wedding cake were milkglass candelabra holding pink tapers.

Presiding at the bride's table were Mrs. Karl Bedke, Mrs. Farris May, Mrs. John Warren and Mrs. Virginia Waterson.

Guests were seated at quiet tables covered with pink and white lace cloths and centered with snifters holding pink carnations.

Serving were Lois Warren, Sheryl Holmes, Diana Shelby, Kathy Harper, Susan Martin, Sarah Jane Madison-Dunn-Hunt and Hlene McMurray.

Sharon Caldwell was in charge of the guest book.

Gifts were displayed by Leta Bennett, Maxine Perotta, Marjorie Noltensmiller, Patricia Bedke and Carol Schwaegler. Carrying gifts were Becky Johnson and Delma Johnson.

Guests attended from Rupert, Oakley and Mountain Home.

Pre-nuptial showers were given by Mrs. Eugene Caldwell, Mrs. Dronson.

The couple took a wedding trip to Jackson Hole, Wyo., and Yellowstone National Park.

Wanda Gifford; Hisaw Exchange Nuptial Vows

BURLEY — The First Baptist Church, Burley, was the setting for the June 11 evening ceremony uniting in marriage Wanda Jean Gifford, daughter of Mr. and Mrs. William S. Gifford, and Michael Craig Hisaw, son of Mr. and Mrs. Craig H. Hisaw, Raft River.

The double ring ceremony was performed by Rev. Richard Horn before a white arch entwined with greenery and accented with large pink bows and three silver bells. The arch was flanked by beauty baskets of pink and white gladioli tied with pink bows.

The bride, given in marriage by her father, recited vows in a floor-length gown of French Chantilly lace. The fitted bodice featured a satinee necktie and long lily point sleeves. The cutaway skirt of bombazine was bouffant style edged with hand-cut Chantilly lace. The detachable long waltz train was edged in Chantilly lace.

Her bouffant nylon fingertip veil of illusion was held by a Victorian crown of seed pearls and sequins. She carried a white orchid surrounded by pink roses on a white-Bible adorned with white satin streamers.

Mrs. Pauline Sue Wahlstrom, sister of the bride, was matron of honor. Bridesmaids were Audrey Young, sister of bride; Regina Hisaw, sister of bridegroom; and Mrs. Richard Horn. Flower girl was Kerry Strube. Ringbearers were Donna Olson and Richard Horn. Betty Herrera and Judy Nix were candlelighters.

James Hisaw, cousin of bridegroom, was best man. Ushers were Dennis Wahlstrom, Gene Kantola and Larry Marlow.

Karen McCall played the traditional wedding music, accompanied by Hillinger and M. Parkins, soloists.

Following the ceremony, the newlyweds greeted guests in the reception hall.

The bride's table, covered with a white cloth, was centered with a three-tiered wedding cake decorated with pink roses. A miniature bride and bridegroom, standing in white net under a white and pink arch of seed pearls, topped the cake. Flanking the wedding cake were crystal bud vases holding pink roses.

The cake was cut and served for the trip.

MR. AND MRS. MICHAEL C. HISAW

by Mrs. Nolan Myers, assisted by Mrs. Lewis Strube and Mrs. Odel Walker. Mrs. Hillinger presided at the punch bowl.

Jill Johnson was in charge of the guest book.

Gifts were displayed by Leta Bennett, Maxine Perotta, Marjorie Noltensmiller, Patricia Bedke and Carol Schwaegler. Carrying gifts were Becky Johnson and Delma Johnson.

Guests attended from Rupert, Oakley and Mountain Home.

Pre-nuptial showers were hosted for the bride by Mrs. Nolan Myers and Mrs. Peggy Kantola. The newlyweds will reside at Raft River following a wedding trip to Lake Tahoe and Sacramento, Calif.

Social Events

So-Journey Club potluck garden party will be held at 1 p.m. Thursday at the home of Mrs. Elsie Miller, west of Twin Falls. Cards will be played.

Barracks No. 509, Veterans of World War I, and Auxiliary will meet at 6:30 p.m. Thursday at the Twin Falls City Park for a potluck dinner and short business meeting. Those attending are asked to bring a covered dish and their own table service.

Loyal Neighbors Club will observe its annual Old Members Day at 2 p.m. Friday at the Berger Community Center. Any person who has been a member of the club is invited. Refreshments will be served and entertainment presented.

North End Club Has Social Meet

RICHFIELD — Mrs. C. F. Chaffield was hostess for members of the North End Club at a social meeting. Mrs. Sterling King received a prize and Mrs. Lester Ward a pollyanna gift. Mrs. Odell Chaffield, Buhl, was a guest.

Club members will be guests at a July 21 luncheon at the home of Mrs. Stanley Weyman, Burley. They will meet at 10 a.m. at the Theo-Ottieu home for the trip.

NOW IF ONLY I HAD A BOAT!
Be sure you're INSANT what the buyer is insuring him when he answered this question...
He searched his cost book on the 3rd day of a sale sold only \$2.95 for his ad.
If you're as advertised with us, why?
We have boats with cabin.
Need more time repairs. Phone 324-8000 or 324-8000, Jerome.

To Place Your Want Ads
DIAL 733-6931
The Want Ad Number
ask about our low 7-day rate with cancellation privileges.

IDAHO FALLS RALLIES TO EDGE COWBOYS

Angels Collect Six Hits, Four Runs in Ninth to Overhaul Magic Valley 8-6

Idaho Falls' Angels rallied for four runs on six hits — five of them in a row — in the ninth inning to overhaul the Magic Valley Cowboys 8-6 Monday night. The Cowboys, thanks to an early start, held sway throughout the game but in the ninth inning manager Tom Morgan reached into his bench and made all the right grabs. He called up three pinch hitters, two of them producing and starting the decisive rally. With one away Kelly Caston drilled a long double and substitute Randy Brown followed with a single. Then came consecutive one-basemen — with eyes appeared as they stirred between Cowboy infielders — from Bud Lawhorn, Paul Campbell and John Dixon. After a strikeout, Hank Salano added another safety to drive in the insurance run.

Valley Night

Magic Valley Night will be observed at 8 p.m. Tuesday at the first ball to the Cowboys' host Idaho Falls in a Pioneer League game. Burley Mayor Joe Peters will be the first ball to Buhl Mayor Reed Maughan. Several prizes will be given away by supporting merchants.

Caldwell Is 11-5 Winner Over Ogden

CALDWELL (AP)—The Treasure Valley Cubs compounded 13 losses with a 11-5 Monday night victory over the Ogden Dodgers and a seventh-inning rally into an 11-5 Monday night. Scott King started the late rally with a 410-foot triple and the next two batters walked to lead the bases.

Then Ogden rightfielder Hank Tenney dropped Dick Bladt's fly ball and three Treasure Valley runners scored. The fourth came in on Fred Rodriguez's single.

In the second inning, Treasure Valley scored one run on a double by Bill Hilliard and a single by Ogden efforts were led by shortstop Rich Thompson who brought in two runs with a home and two more with a triple and a single.

Robinson Says Orioles to Win Flag by 10 Games

BALTIMORE (AP)—"I think we'll win the pennant by 10 games," third baseman Brooks Robinson of the Baltimore Orioles said Monday.

"Whether they are good enough to catch us," said the American League All-Star third baseman, "it's not a constant battle, but I think we'll win."

"Detroit figures to give us the most trouble, not simply because they're in second place, but because they're better than Cleveland."

The Orioles have an eight-game edge over Detroit. Cleveland is two more games back in third place.

Archer Rated Even in Match With Griffith

NEW YORK (AP)—Challenger Joey Archer became an even-money shot Monday against lightweight champion Mike Griffith for their 15-round title bout at Madison Square Garden Wednesday night.

Griffith, who has been having trouble building up weight, had been a 7-5 favorite to retain his title.

The champion weighed only 140½ pounds when he defeated the 160-pound Dick Tiger of Nigeria in a 15-rounder at the Garden last April 23.

But he hopes to make 152 pounds for the fight and younger Archer, Tiger was 30. Archer is 28, the same age as Griffith.

NBC Safeguards All-Star Cameras

NEW YORK (AP)—The National Broadcasting Co. said Monday night that to avoid difficulties in televising Tuesday's All-Star baseball game in sweetening St. Louis it has sent by plane box of air-conditioning equipment.

St. Louis, hit by 100-degree temperatures Monday, also had its power cut off in white areas by plan to avoid a massive blackout. The Union Electric Co. decided to turn off electric consumption because of an overload.

An NBC spokesman said the heat had caused trouble in the sending of television test patterns from St. Louis.

The air-conditioning equipment will be used to cool two mobile TV units.

But the extreme heat often burns out filmstrips and the seven color TV cameras will be packed in dry ice to guard against any blowouts, NBC said.

CLAIMS TITLE

BOISE (AP)—Idaho Falls, Jeff Williams upset his third top-ranked tennis opponent Sunday to take the boys 18 singles championship. In the Capital Jaycees' state tennis tournament, on Julia Davis Park court.

Sage Grouse Counts Show Little Change

Sage Grouse trend counts in the Shoshone Basin indicate the birds have about held their own in the past year—but they are showing the effects of drought conditions.

District Biologist Supervisor Charles Blake said the flocks are congregated around available springs and waterholes.

Because of the not-typical counting conditions caused by the drought Blake said the picture might not be a true indication. In normal years the flocks are considerably more scattered and a smaller percentage spotted by counters.

Two trend counts were run, one showing a small increase and the other quite comparable to 1965.

However, the overall outlook for sage grouse is still poor and declining.

1965 Idaho Cougar Kill Set at 108

BOISE—Hunters and trappers reported killing 108 cougars in Idaho last year, the Idaho Fish and Game Department disclosed today.

Wes Shaw, game biologist, said that 91 of the big mountain lions were shot and 14 trapped. Three were bagged incidentally to other activities. The U.S. Fish and Wildlife Service predator-control division killed 14 of the cats.

A breakdown of the figures by regions shows that 20 cougars were killed in the Panhandle, 53 in the northcentral Salmon River area, 25 in the western section, 8 in the southeastern Idaho, and only 2 in the eastern region.

Pirates Monopolize League Batting Race

NEW YORK (AP)—Manny Mota, Matty Alou, Willie Stargell and Roberto Clemente have turned the National League batting competition into an all Pittsburgh affair while helping the Pirates move to within one game of the lead in the circuit's pennant race.

The Pirates' Big Four hit a collective .433 with 45 hits in 104 trips last week when the club won seven games, lost two and climbed within a single game of league leader San Francisco at the All-Star break.

Mota, the batting leader, had 12 hits in 27 tries and gained 17 points to .322. Alou boosted his average eight points to .338 with nine safeties in 20 tries. Stargell is batting .337, while Clemente, the batting champ the past two seasons, is fourth at .328. Stargell gained 12 points and Clemente 7.

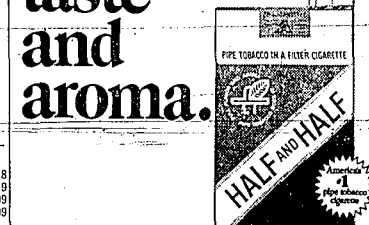

Russ Snyder of Baltimore continues to lead the American League. He increased his average 10 points to .347 with a 6-for-12 performance.

Al Kaline of Detroit, fifth a week ago, rushed up to grab second place. He gained 20 points to .325, the result of a 13-for-26 showing. Tony Oliva of Minnesota, the defending titleholder, advanced one place to third. He is hitting .314 after an eight-point pickup in last week's action.

Great taste and aroma.

Pipe tobacco in a filter cigarette.

Product of the American Tobacco Company, N.Y.C.

The Soft Whiskey proving ground.

In this day and age of proving products scientifically, we have an unsentimental suggestion. Taste ours.

One sip and you'll know why we couldn't possibly call it anything but Soft Whiskey.

You see, Soft Whiskey is soft. It goes down just like the name says.

After that, it acts like any other 86 proof whiskey. It's just that getting is a whole lot easier.

But how to prove that to you? After all, Soft Whiskey looks like any other whiskey. And it acts like any other whiskey. So what's left is the way Soft Whiskey goes down.

At which point someone said: "Why not just ask people to try it?" Our first reaction was that that was a bad idea. It wasn't scientific.

Our second reaction was that that was a good idea.

What is the A.B.C.?

Chatting with a merchant the other day, we mentioned our "ABC figure."

"What," he asked, "is an ABC figure?"

Perhaps what we told him will also interest you.

This newspaper is a member of the Audit Bureau of Circulations, an independent, nonprofit organization of nearly 4,000 advertisers, advertising agencies, and publishers.

Its purpose is to provide accurate and factual reports on the circulations of member publishers. In the advertising and publishing industry, the ABC insignia is often referred to as the "hallmark of circulation values."

At regular intervals, an ABC traveling auditor visits our office to check our records. The findings of this

physical audit are embodied in an Audit Report published by ABC—the report literally tells us what our circulation is.

Virtually everything an advertiser should know about our circulation is found in this report. Facts and figures without opinions.

Few retailers bother to ask to see a copy of our report, yet we want you to know one is available anytime you are interested in the quality and quantity of our circulation audience—the audience for your advertising messages.

What is an ABC figure?

It is our way of assuring you that you get full measure for your advertising dollar in this newspaper.

Russians Cancel Track Meet to Protest U.S. Involvement in Viet Nam

MOSCOW (AP) — The Soviet Union in a sudden move Monday canceled the annual track meet with the Americans in Los Angeles and the tour of the U.S. basketball team in Russia in protest of American participation in the Viet Nam war. The cancellation was disclosed in a dispatch by Tass, the official Soviet news agency. It said that athletes of the track and basketball teams had met Monday

Pros Scored For Invasion Of Colleges

COLORADO SPRINGS, Colo. (AP) — The Conference Commissioners Association expressed concern Monday about what it termed increasing encroachment by professional sports on college athletics. It also deplored a threatened increase in televising of professional football games.

The commissioners, ending several days of meetings, will send their recommendations to the National Collegiate Athletic Association.

The Commissioners Association referred to the recent draft by major leagues of college baseball players saying "a devastating number of college players were signed to professional contracts."

The group also criticized a proposal that professional football might televise games on Friday nights and Saturday nights.

It said this would compete with college and high school games.

Johnson Says Main Bout Is Still to Come

ATLANTA (AP) — Randy Johnson is getting better all the time, but the rangy Texan says his biggest football challenge is still ahead.

"I never dreamed I would be where I am now," the Texas A&I quarterback said after he guided the West to a 24-7 conquest of the East in the Coaches All-America game. "Now, my big challenge comes when I join the Falcons."

Johnson was named the game's Most Valuable Player after he connected on 24 of 38 passes for 237 yards and two touchdowns, and scored once himself on a three-yard sprint.

It was named the outstanding back in the Senior Bowl, and the Most Valuable Player in the Blue-Gray game, Johnson added. "But this was the best of all."

The 6-foot-3 stringbean has one more game left — the College All-Star battle Aug. 5 in Chicago — before he starts with the National Football League experts-bellows will be a great pro career.

Johnson was a first round draft choice of the Atlanta Falcons, and his play in the All-America game had coach Norb Hecker beaming.

"He sure can throw the football, and he can see everywhere," Hecker said. "I don't think I'll trade him."

75,000 Expected At Hydro Race

COEUR D'ALENE, Idaho (AP) — There will be room for more than 75,000 spectators at the 1966 Diamond Cup unlimited hydroplane race on Lake Coeur d'Alene, the race commodore, Richards, announced Monday.

Richards said the American Power Boat Association has guaranteed that at least 17 of the top unlimited hydroplanes will be competing in the west will be on hand for the ninth annual Diamond Cup on Aug. 14.

Spectator space will be available on the city beach, the picnic area and Tibbels Hill, Richards said, to all fans buying a Diamond Cup button.

Hull Claims AAU Could Expel Soviets

LOS ANGELES (AP) — Don Hull, executive director of the Amateur Athletic Union, said Monday that Russia could be banned from all international athletic competition, including the Olympic games, for pulling out of the U.S.S.R. track meet here.

Hull talked by telephone from Frankfurt, Germany, with Glenn Davis, director of the meet scheduled in Los Angeles July 23-24. Russia withdrew in protest of American participation in the Viet Nam war.

Davis said Hull, in Europe with the American basketball team whose Russian appearances also were canceled, would go to Moscow Tuesday to see if he could still work things out.

"Col. Hull told me on the phone that he can not believe that the Soviet sports people would jeopardize their standing with the International Amateur Athletic Federation by failing to complete their contract to compete here," Davis said.

U.S. Swim Team Belts Poland Club

WARSAW (AP) — The American all-star swimming team gave Poland another swimming lesson Monday night, easily winning all events in the second half of the two-day meet.

Warning up for the multination meet in Moscow next weekend, the Yanks swept all 21 events, 11 Sunday and 10 Monday.

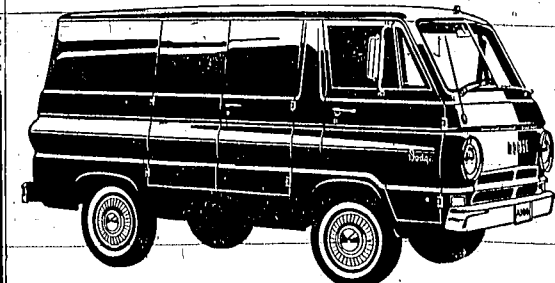

Coach Don Gambrell of City of Commerce, Calif., and team officials were disturbed by reports that the U.S.-Soviet track and field meet and basketball games were canceled.

They assumed, however, that the swimming would go on as scheduled, and planned to leave Tuesday for Moscow.

Tass, the official Soviet news agency, said in Moscow that the swim meet would be held because "other nations were involved."

This year the Americans had not together a powerful men's team that had been expected to beat the Russians.

ONLY DODGE HAS V8 POWER IN A COMPACT TRUCK

Add to this such practical niceties as very big doors, very flat floors, a very big cargo space (213 cubic feet), and a very low price (right down with Ford's and Chevy's)—and you've got some very good reasons for putting some Dodge compact trucks on your payroll. (Choice of V-8 or two husky Sixes.) Dodge toughness doesn't cost any more... why settle for less?

Trotting Rematch Is In Doubt

WESTBURY, N.Y. (AP) — The anticipated rematch between Canada's Armbró Flight and France's Roquepine in the \$25,000 Challenge Cup Trot at Roosevelt Raceway may not come off as scheduled Saturday night.

Armbró Flight, a 4-year-old mare, won the \$100,000 Roosevelt International Trot last Saturday night by a neck over the 5-year-old French mare, Noble Victory of the United States finished eight lengths back in third place.

Joe O'Brien, driver and trainer of Armbró Flight, said Sunday his "game mare" had foot,

strained a ligament in the left hoof in a race at Roosevelt several weeks ago and might miss the Challenge Cup.

"Well, just have to wait and see how she comes out of the International," O'Brien said.

Meantime, Jean-Rene Gougen, driver of Roquepine, denied reports he had "mistaken the finish line" in the International. He gave full credit to O'Brien for opening a five-length lead with a quick burst of speed on the last turn. "That won the race," Jean-Rene said, "we needed 10 more meters."

If all goes well the Challenge Cup, a 1½-mile sequel to the 1¼-mile International, will bring the 5-year-old French mare, Noble Victory, Armbró, Elight, Roquepine, Noble Victory, Pluvier III of Sweden, Pick Wick F. of West Germany and three more U.S. trotters, Worlthy Scott, Perfect Freight and Jes R. Foot.

Graebner Wins MILWAUKEE (AP) — Fifth-seeded Clark Graebner shelled Australian Gary Hucley out of the National Clay Courts Tennis tournament Monday with an opening-round 6-3, 6-1 victory. Eighth-seeded Frank Froehling of Coral Gables, Fla., defeated Jorge Mendoza of Mexico 6-0, 6-2.

Figure 1. The effect of the number of iterations on the accuracy of the proposed algorithm. The figure shows the accuracy of the proposed algorithm for different numbers of iterations (10, 20, 30, 40, 50, 60, 70, 80, 90, 100) across different values of α (0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, 0.8, 0.9, 1.0). The accuracy generally increases with the number of iterations and is higher for larger values of α .

School Board Has Meeting At Hagerman

HAGERMAN—Frank Henslee conducted the meeting of the Hagerman school district trustees, Friday evening, and the unit voted to sponsor the Red Cross swimming lessons this year and authorized Stanley Penfold to transport the students to Gooding in his bus.

The board members expressed pleasure with the showing the Future Farmers of America made at the state judging contest, placing first in the state in poultry judging and enabling them to compete in the Nationals at Waterloo, Iowa this fall.

They voted to replace the outdated fire extinguishers in the grade school building, and to purchase a small air conditioner for the office at the high school. They also voted to purchase a dictaphone and a calculator for use in commercial classes.

Dr. Homer Johnson, head of the department of educational administration at the Utah State University presented educational specifications for an exemplary individualized learning center to Darrell Leatham, architect, for possible remodeling requirements for the learning center.

The next meeting of the school trustees will be held Aug. 5.

Evacuation Urge

BOMBAY, India (AP) — City and state officials decided Monday, large-scale voluntary evacuation of this great seaport will be recommended next Friday unless monsoon downpours replenish drying reservoirs by then. The city population is estimated at 4.5 million.

GREETING THE FAMILY COLLIE, Blanco, are Luc Johnson and her fiancé, Pat Nugent. The young couple flew back from a stay at the LBI Ranch in Texas, with President and Mrs. Johnson. Graphs Bryant of the White House staff holds the leashes of Blanco and two Johnson beagles. (AP wirephoto)

WINS CONTEST
CHICAGO (AP) — The Thorpe International Chorus Contest, a 10-day singing competition for the preservation of America's musical heritage, opened Monday in Chicago. The contest is sponsored by the Thorpe International Chorus of Louisville, Ky., won first place recently in the International Chorus Contest.

Girl Doomed With Cancer Granted Wish

MIAMI, Fla. (AP) — More than anything in the world, Cathy Wainwright, 7, wanted to see Flipper the television porpoise.

She got her wish Monday. Flipper performed just for Cathy in Miami, where the television series is filmed.

Cathy and her family drove all the way from Penderlee, N.C., to see Flipper. It cost \$600, raised by their neighbors. Cathy's right arm was amputated last month because of cancer. Doctors said she would live less than a year unless the arm was amputated right away.

But "after the operation the doctors told us not to get our hopes too high," said Dennis Wainwright, 26, Cathy's father. "The operation may have been too late."

"We didn't know what to say
